Item 5 To approve the appropriation of profit and annual dividend payment for the year 2010

Facts and Reasons

Under the provisions of the Public Limited Company Act B.E. 2535, the Company must appropriate at least 5% of its annual net profit as a legal reserve until the reserve reaches 10% of its registered share capital. As of present, the Company's legal reserve is sufficient in compliance with the law. Therefore, the Company does not need to appropriate 2010 annual net profit as a legal reserve.

With regard to dividend payment, the Company has a policy to pay dividends from the Company's operating results of each year at the rate of 50% of net profit after income taxes and legal reserve (according to the separate financial statement). The dividend will be paid twice a year whereby the first dividend payment will be paid as an interim dividend and the second dividend payment will be paid as an annual dividend. Nonetheless, this may be changed, depending on the Company's operations, financial position, future projects and overall economic conditions. Therefore, the Meeting should consider the annual dividend payment for the year 2010.

Board's Opinion

After due consideration, the Board of Directors is of the opinion that the Meeting should approve that the Company need not appropriate annual net profit as a legal reserve since its amount is in compliance with the law. In accordance with the Company's operating results of the year 2010, the Board of Directors is of the opinion that the Company should pay dividend to shareholders at Baht 1.05 per share in total. In this regard, the Company already paid the first dividend to shareholders as an interim dividend at Baht 0.50 per share on September 10, 2010. Therefore, the Meeting should approve the second dividend payment as an annual dividend payment at Baht 0.55 per share for 7,048,937,826 ordinary shares, totaling Baht 3,876,915,804.30. This dividend when combined with the interim dividend payment paid during the year 2010 of Baht 3,524,468,913.00 in total, will totally be Baht 7,401,384,717.30, or 70% of net profit of the year 2010 (according to the separate financial statement). Details of dividend payment for the year 2010 compared with the year 2009 are as follows:

Number of shares having the rights to receive dividend	(shares)	7,048,937,826	7,048,937,826

In this regard, the Board would propose to set the record date for the right to receive the dividend on May 3, 2011 and the share register book shall be closed on May 4, 2011 for Thailand Securities Depository Co., Ltd. to collect the shareholders' names in compliance with Section 225 of the Securities and Exchange Act B.E. 2535. Additionally, the annual dividend payment for the year 2010 of Baht 3,876,915,804.30 will be made on May 19, 2011. The details of dividend payment are as follows:

- (1) The dividend amounting to Baht 1,903,213,213.02 or equivalent to Baht 0.27 per share was derived from the profits which were exempted from corporate income tax. The recipients are not subject to withholding tax; and
- (2) The dividend amounting to Baht 1,973,702,591.28 or equivalent to Baht 0.28 per share was derived from dividends which the Company had received from its subsidiaries. Such dividends were appropriated from the taxable profits of the subsidiaries, which were subject to 30% corporate income tax. Therefore, recipients were subject to withholding tax according to rules and conditions of the Revenue Code. However, recipients who are natural persons shall be entitled to a tax credit in accordance with Section 47 bis of the Revenue Code.
